

## Memorandum

**Date:** September 28, 2010

**To:** George M. Burgess  
County Manager

**Thru:** Miriam Singer, CPPD  
Director  
Department of Procurement Management

**From:**  Melissa Adames, CPPB  
Senior Procurement Contracting Officer  
Chairperson, Review Team

**Subject:** Report of Review Team for EPP-RFP752: Staff Scheduling Solution

RECEIVED  
SEP 30 2010

Alina T. Hudak  
County Manager's Office

The Review Team has completed the task of evaluating proposals submitted in response to the above referenced Request for Proposals (RFP) following the guidelines published in the solicitation as summarized below.

**Review Team Meeting Dates:**

September 3, 2010 – Kickoff Meeting  
September 9, 2010 – Evaluation Meeting  
September 15, 2010 – Technical Review Meeting  
September 17, 2010 - Oral Presentations and Evaluation Meeting  
September 21, 2010 - Evaluation Meeting and Final Scoring Session

**Verification of compliance with contract measures:**

The Review Committee recommended a Small Business Enterprise (SBE) selection factor for this solicitation. None of the Proposers who submitted responses are certified SBE firms.

**Verification of compliance with minimum qualification requirements:**

Five proposals were received in response to the RFP. The solicitation had minimum qualification requirements which were reviewed by the Chairperson and the County Attorney's Office. All proposals submitted were in compliance with the minimum qualification requirements and were responsive.

**Summary of Scores:**

The Review Team was tasked with evaluating, scoring, and ranking the five proposals submitted in reference to the RFP. Proposals were received from IntelliTime Systems Corporation, Novative Technology, Orion Communications, Principal Decision Systems International, and Visual Computer Solutions. After completion of a factual review of the proposals received, the Review Team conducted preliminary scoring.

Preliminary scores are as follows:

<b>Proposer</b>	<b>Evaluation Score (Max. 700 pts)</b>	<b>Price Score (Max. 175 pts)</b>	<b>Total Combined Score (Max. 875 pts)</b>	<b>Price Submitted</b>
IntelliTime Systems Corporation	410	75.5	485.5	\$ 1,044,860
Novative Technology Orion Communications	340	76	416	\$ 560,736
Principal Decision Systems International	480	102.5	582.5	\$ 1,136,088
Visual Computer Solutions	544	132.5	676.5	\$ 725,000
	283	55	338	\$ 1,192,072

Based on the initial evaluation, the Review Team elected to hold oral presentations to view a demonstration of the proposed solutions and obtain clarification for submissions from the three highest ranked proposers: IntelliTime Systems Corporation, Orion Communications, and Principal Decision Systems International. Oral presentations were held on September 17, 2010. Following the presentations, an evaluation meeting was conducted with the Review Team to discuss the proposers remaining in consideration. A final evaluation meeting was held on September 21, 2010 and scoring was completed.

Final Scores are as follows:

<b>Proposer</b>	<b>Evaluation Score (Max. 700 pts)</b>	<b>Price Score (Max. 175 pts)</b>	<b>Total Combined Score (Max. 875 pts)</b>	<b>Price Submitted</b>
IntelliTime Systems Corporation	508	130	638	\$ 1,044,860
Orion Communications	549.5	116.5	666	\$ 1,136,088
Principal Decision Systems International	442	121	563	\$ 725,000

**Local Preference:**

Local Preference was applied in accordance with the ordinance but did not affect the outcome.

**Negotiations:**

The Review Team recommends that the County enter into negotiations with Orion Communications the top ranked vendor.

The following individuals will participate in the negotiations:

Melissa Adames, Department of Procurement Management  
Sheila Siddiqui, Miami-Dade Corrections and Rehabilitation Department  
Sonya Nesbitt-Henderson, Miami-Dade Corrections and Rehabilitation Department  
Richard Marquez, Miami-Dade Corrections and Rehabilitation Department  
Motsa Dubois, Enterprise Technology Services Department

**Justification for Recommendation:**

The Miami-Dade Corrections and Rehabilitation Department (MDCR) solicited proposals for a turnkey, web based, commercial off-the-shelf Staff Scheduling Solution. The proposed Staff Scheduling Solution (Solution) will provide MDCR the ability to automate time collection, manage rosters, conduct shift bidding, automate vacancy filling in conjunction with audit controls, and enhance accountability and reporting. It is anticipated that the Solution will improve overtime management, conduct emergency staffing, send and receive work communications, share information with other County applications, produce management reports, and ensure equitable and consistent application of MDCR internal policies and procedures, collective bargaining agreements and County human resource policies. This solicitation is funded by the American Recovery and Reinvestment Act (ARRA) 2009 under the Edward Byrne Memorial Justice Assistance Grant.

The Review Team recommends that the County enter into negotiations with Orion Communications, the top ranked vendor. The solution proposed by Orion Communications is capable of meeting all of the requirements outlined in the solicitation. The Review Team unanimously agrees that negotiations should be initiated with the selected vendor for the following reasons:

- Solution proposed provides outstanding software functionality that can be configured to the needs of the MDCR.
- Flexible, scalable Solution capable of performing the required functions to complete bidding, rostering, scheduling, leave requests, and report generation.
- Solution is web-based providing users the ability to access information from any web browser to view information, make changes, and approve requests in real time.
- Solution provides an overall easy way to track data with the user dashboard features providing for a snap shot view for all pending tasks in the system.
- Solution proposed is a mature product that has been in use since 2001 throughout various public entities.
- Solution provides an automated approach to labor intensive tasks reducing the risk of errors.
- Orion's approach, implementation, and training methodology for providing the required services will empower MDCR to have the required tools to manage and administer the system in house.

**EPP-RFP752: Staff Scheduling Solution**

The Review Team was tasked with rating and ranking the proposals received in regard to the Staff Scheduling Solution Request for Proposals solicited on behalf of the Miami-Dade Corrections and Rehabilitation Department. The Review Team scoring was conclusive. The Review Team recommends that the County enter into negotiations with Orion Communications to top ranked vendor.

The Review Team unanimously agrees that the selected vendor should be awarded a contract as a result of:

- Solution proposed provides outstanding software functionality that can be configured to the needs of the Miami-Dade Corrections and Rehabilitation Department (MDCR).
- Flexible, scalable Solution capable of performing the required functions to complete bidding, rostering, scheduling, leave requests, and report generation.
- Solution is web-based providing users the ability to access information from any web browser to view information, make changes, and approve requests in real time.
- Solution provides an overall easy way to track data with the user dashboard features providing for a snap shot view for all pending tasks in the System.
- Solution proposed is a mature product that has been in use since 2001 throughout various public entities.
- Solution provides an automated approach to labor intensive tasks reducing the risk of errors.
- Proposer's approach, implementation, and training methodology to providing the required services will empower MDCR to have the required tools to manage and administer the System in house.
- The Proposer expressed the willingness to work with Miami-Dade County to have a strategic relationship for this critical system.
- Orion's vast experience in the public sector industry make them qualified to provide the required Solution and services requested in the solicitation.
